Mr. J. C. Collier,
Barnesville, Ga.

My dear Mr. Collier,

I thank you for your prompt responce to my Collier letter of "no date". It was in response to your inquiry to our regent Mrs. Harvey about the Greene A. Collier Bible record.

I am glad to find some one who has the Greene A. connection. I have been searching for it for a long time for

his descendants in Ala. I am enclosing a copy of the record and may I ask you for the information which leads back to the Rev.? I suppose his descendants are from James Greene also. May I have that record?

May I ask, do you have the coat-of-arms stamped or do you have the die? How may I secure one at the least price for these descendants of G. A.?

Greene A. Collier was not of Columbus, so far as I know; but died in Huntsville, Ala.

I will appreciate any help which you may give me.

Very truly yours,

Martha Lou Houston
